Mill Market Bakery Selected to Create Cake for The Walking Dead

Hawley, PA (December 27, 2017) — The Mill Market Bakery has become near and dear to locals’ hearts with their daily baked fresh bread, pastries, and their decadent cakes. These cakes range from stunning wedding cakes to creative specialty cakes. Executive Pastry Chef Julia Kent has spent years cultivating her talents and gaining a reputation for excellence. Her reputation preceded her at the Walker Stalker Convention in New Jersey December 9th. Julia was selected to make cakes for two actors, Michael Cudlitz, who plays Abraham in The Walking Dead, & Juan G Pareja who played Morales in The Walking Dead. Both actors happily received their cake at the convention on December 9th.

“Wow! Look at this amazing Morales themed birthday cake that the awesome folks at Walker Stalker Con and the Mill Market Bakery had made for me. Thank you so much!” Said Juan G Pareja on his Instagram account shortly after receiving the cake.

“I love having the chance to make new and unique cakes. Whether it be a crazy cake for The Walking Dead or an intricate wedding cake, it’s my passion so I adore it all! These cakes for Pareja and Cudlitz were fun to make and getting to see their reaction was priceless.” Shared Chef Julia.

Earlier this year the Mill Market Bakery was also selected to make a cake for actress Katrina Law from the TV show Arrow at the Heroes and Villains Fan Fest in September of 2017.

Check out the action yourself in the Mill Market Bakery where Chef Julia can be found decorating her stunning cakes in the adjoining finishing room within the retail bakery.
