Jazz on the Deck at The Settlers Inn

Since it first launched over 10 years ago, Jazz on the Deck has become a cherished rite of summer in the Pocono Mountains. The event at The Settlers Inn draws professional performers whose credits range from Broadway and the New York cabaret scene to international jazz festivals. Every Wednesday evening during summer, a rotating lineup of musicians entertain from 6-9 p.m. Guests may enjoy farm-to-table cuisine overlooking the Inn's manicured garden or choose a table on the lawn and take advantage of cocktail and full dinner service. The highly anticipated series begins June 2 with Stefan Bauer. The music continues with The Craig Graham Trio (June 9), Luba Mason (June 16), Hang Em High (June 23), and The Andrea Wolper Trio (June 30). The Gypsy Jazz Quartet gets things started in July with a performance on July 7. That's followed by Judy Silvano (July 14), Liza Dolittle and Robert Kocec (July 21) and The Gary Rixner Trio (July 28). August brings performances by All That Jazz with Michelle Oram (Aug 4), The Glenn Heller Trio (Aug 11), Last Thursday Band (Aug 18), Thos Shipley (Aug 25) and Spencer and Nancy Reed (Aug 27). There's something quintessentially summer about relaxing in a beautiful open-air setting, enjoying a fine meal and good company with the sounds of music drifting out. "After an abbreviated season last year, we're thrilled to host a full schedule of events this year," says Justin Genzlinger, CEO/Owner. "Welcoming guests back to our properties for the summer concert series will be especially sweet given the challenges of 2020, but this year things are looking bright."
