The Settlers Inn Earns 2023 *Wine Spectator* Restaurant Award

The Settlers Inn Among the World's Best Restaurants for Wine

Hawley, PA (July 12, 2023) — The Settlers Inn has been honored for its outstanding wine program in [*Wine Spectator's*](#) 2023 Restaurant Awards, which celebrate the world's best restaurants for wine.

"In a time of technological innovation, restaurants offer the human experience diners are hungry for—listening to their customers and offering personalized experience," said Marvin R. Shanken, Editor and Publisher, Wine Spectator. "This annual issue celebrates the places where wine is at the top of that conversation. I'm pleased to congratulate all 3,505 restaurants for their dedication to wine and wine-loving diners."

"We are honored to receive this recognition from Wine Spectator as an acknowledgement of our continued commitment to providing the highest caliber wine service to guests of The Settlers Inn," states CEO Justin Genzlinger. "It's a privilege to be distinguished as one of only two restaurants in Northeast PA to receive this prestigious award. We are proud of our Sommelier, Claude Briere, and Director of Food and Beverage Steven Vennie, who have crafted an award-winning wine experience for our guests."

Launched in 1981, the Restaurant Awards represent the world's only program focused exclusively on restaurant wine service. They are assigned on three levels: the Award of Excellence, the Best of Award of Excellence and the Grand Award, with 2,001; 1,411; and 93 winners this year in each respective category.

The Settlers Inn has won the Best of Award of Excellence for a second consecutive year. Best of Award of Excellence recipients display excellent breadth across multiple winegrowing regions and/or significant vertical depth of top producers, along with superior presentation.

Wine Spectator's special Restaurant Awards issue became available to readers July 11.
