**White Mills Hotel Fire  
Settlers Hospitality Statement**

Hawley, PA (April 3, 2024) Last night's fire at the White Mills Hotel is a loss for the entire community. Thankfully, as far as we know, everyone is safe, and no one was harmed. We're grateful to the local firefighters who worked so diligently to extinguish the flames and prevent it from spreading to nearby structures. Historic preservation is a core value of Settlers Hospitality, so we're very disheartened by the loss of a building with such a rich history and a landmark in White Mills. It's especially hard since we received approval for the restoration just days ago. It's a setback, but only a setback. We're committed to creating employee housing and providing places for people to live amid the housing crisis. -Justin Genzlinger, CEO/Owner, Settlers Hospitality
